

AMENDMENTS TO THE DRAWINGS

Submitted herewith is a drawings of record showing proposed changes in red permanent ink for approval by the Examiner. Figure 1 has been revised to correct typographical errors contained therein. Specifically, reference numeral 12 has been illustrated to point to the radio-based hand-held brake analyzer, and reference numeral 14 has been illustrated to point to the radio-based feed valve. No new matter has been added. Applicant respectfully requests approval of the indicated drawing changes. Updated formal drawings will be submitted upon receipt of a Notice of Allowance.
